

Applications approved for 04-05

FRDC will fund the following projects in 2004-2005. Project information is available from the contact person named. Some other applications are still being considered or developed and those that are approved will be listed in a later edition.

ID	Organisation	Project title	End	Contact	Phone
2004/002	University of Tasmania	Spatial management of reef fisheries and ecosystems: understanding the importance of movement	Jun-07	Colin Buxton	03 6227 7277
2004/004	Northern Territory Department of Business, Industry and Resource Development	Assessment of the implications of target fishing on black jewfish (<i>Protonibea diacanthus</i>) aggregations in the Northern Territory	Feb-07	Tracy Hay	08 8999 2144
2004/005	Department of Primary Industries, Victoria	Developing integrated performance measures for spatial management of marine systems	Jun-07	David Smith	03 5258 0111
2004/006	Department of Fisheries Western Australia	ESD Reporting and Assessment Sub-program: strategic planning, project management and adoption	Jul-07	Rick Fletcher	08 9482 7333
2004/008	Northern Territory Seafood Council	Improving demonstrated environmental accountability in the Northern Territory fishing industry	Mar-06	Iain Smith	08 8981 5194
2004/013	University of Tasmania	Towards integrated multi-species management of Australia's SE reef fisheries: A Tasmanian example.	Jun-07	Stewart Frusher	03 6227 7277
2004/019	South Australian Research and Development Institute	Towards optimising the spatial scale of abalone fishery management	Jun-07	Stephen Mayfield	08 8200 2400
2004/022	CSIRO Division of Marine Research	Bringing economic analysis and stock assessment together in the NPF: a framework for a biological and economically sustainable fishery	Jun-07	Catherine Dichmont	07 3826 7200
2004/024	CSIRO Division of Marine Research	Variation in banana prawn catches at Weipa: a comprehensive regional study	Dec-05	Neil Loneragan	07 3826 7200
2004/037	Department of Primary Industries, Victoria	Spatial modelling and assessment of the Victorian Southern Rock Lobster (<i>Jasus edwardsii</i>) fishery	Jun-06	David Hobday	03 5258 0111
2004/039	University of Tasmania	Evaluation of egg production as a method of estimating spawning biomass of redbait off the east coast of Tasmania	Feb-07	Jeremy Lyle	03 6227 7277
2004/042	Department of Fisheries Western Australia	Determination of a cost effective methodology for ongoing age monitoring needed for the management of finfish fisheries in Western Australia	Jun-06	Rod Lenanton	08 9246 8444
2004/045	Murdoch University	Relationships between fish faunas and habitat type in south-western Australian estuaries	Jun-08	Ian Potter	08 9360 2524

ID	Organisation	Project title	End	Contact	Phone
2004/051	Department of Fisheries Western Australia	Management and monitoring of fish spawning aggregations within the West Coast Bio-region of Western Australia	Jun-07	Michael Mackie	08 9246 8444
2004/057	Murdoch University	Biological parameters required for managing western blue groper, queen snapper and bar-tailed flathead	Jun-07	Ian Potter	08 9360 2524
2004/060	Sterling Trawl Gear Services	An investigation of two methods to reduce the benthic impact of prawn trawling	Jun-05	David Sterling	07 33001105
2004/063	CSIRO Division of Marine Research	Determining ecological effects of longline fishing in the Eastern Tuna and Billfish Fishery	Dec-07	Jock Young	03 6232 5222
2004/067	South Australian Research and Development Institute	Review of the fishery status for whaler sharks in South Australian and adjacent waters	Jun-05	Keith Jones	08 8200 2400
2004/068	Department of Fisheries Western Australia	Evaluation of the effectiveness of reducing dolphin catches with pingers and exclusion grids in the Pilbara trawl fishery	Dec-05	Peter Stephenson	08 9246 8444
2004/070	InfoFish Services	National Strategy for the Survival Of Released Line Caught Fish: planning, project management and communications Phase 2	Jun-07	Bill Sawynok	07 4928 6133
2004/071	University of Tasmania	National Strategy for the Survival of Released Line Caught Fish: maximising post-release survival of line caught flathead taken in sheltered coastal waters	Apr-06	Jeremy Lyle	03 6227 7277
2004/074	CSIRO Division of Marine Research	Aquafin CRC - Atlantic Salmon Aquaculture Subprogram: a whole-of-ecosystem assessment of environmental issues for salmonid aquaculture	Jun-08	John Volkman	03 6232 5222
2004/078	South Australian Research and Development Institute	Development and evaluation of community based monitoring programs for coastal ecosystems and fisheries habitats	Apr-07	Anthony Cheshire	08 8200 2400
2004/080	Department of Fisheries Western Australia	Aquatic Animal Health Subprogram: development of a national translocation policy using abalone and prawns as templates for other aquatic species	Oct-05	Brian Jones	08 9368 3649
2004/084	NSW Fisheries	Aquatic Animal Health Subprogram: investigating and managing the Perkinsus related mortality of blacklip abalone in NSW	Jun-05	Geoff Liggins	02 9527 8411
2004/085	South Australian Research and Development Institute	Aquafin CRC - SBT Aquaculture Subprogram: detection of SBT pathogens in environmental samples	Jun-06	Kathy Ophel-Keller	08 8303 9323
2004/089	NSW Fisheries	Aquatic Animal Health Subprogram: development of a health management strategy for the silver perch aquaculture industry- one year extension	Mar-05	Stuart Rowland	02 6644 7588
2004/091	Murdoch University	Aquatic Animal Health Subprogram: further research and laboratory trials for diagnostic tests for the detection of A invadans (EUS) and A astaci (Crayfish Plague)	Dec-04	Nicky Buller	08 9368 3333

ID	Organisation	Project title	End	Contact	Phone
2004/095	Challenger TAFE	A one year extension to the black bream restocking project (FRDC 2000/180) in the Blackwood River estuary	Jun-05	Greg Jenkins	08 9239 8000
2004/096	Tasmanian Fishing Industry Council	The development and production of EMS template documents for the salmonid, oyster and abalone aquaculture sectors in Tasmania	Feb-06	Ralph Mitchell	03 6224 2332
2004/203	The Word Hub	Innovative Solutions for Aquaculture: extension, communication and adoption of the outputs from the PIRSA & FRDC initiative	Jun-06	Lara Damiani	08 8337 1476
2004/204	South Australian Research and Development Institute	Aquafin CRC - SBT Aquaculture Subprogram: variation to FRDC projects No's: 2001/103, 2001/248, 2001/249 and 2003/228 to address existing research requirements due to the move to a commercially based seacage research platform	Dec-05	Jeffrey Buchanan	08 8200 2400
2004/205	Tuna Boat Owners Association of South Australia	Aquafin CRC - SBT Aquaculture Subprogram: provision of research platforms for projects requiring Port Lincoln based R&D support	Dec-06	David Ellis	08 8373 2507
2004/206	South Australian Research and Development Institute	Aquafin CRC - SBT Aquaculture Subprogram: management of food safety hazards in farmed Southern Bluefin Tuna to exploit market opportunities	Jun-07	David Padula	08 8207 7939
2004/207	CSIRO Division of Marine Research	Aquafin CRC - SBT Aquaculture Subprogram: evaluation of the benefits and cost of an Integrated Farm Support System (IFSS) for tuna aquaculture	Jun-05	Chris Jackson	07 3826 7200
2004/209	Flinders University	Aquafin CRC - SBT Aquaculture Subprogram: application of the use of dietary supplements for improving flesh quality attributes of farmed SBT	Mar-08	Philip Thomas	08 8683 2500
2004/210	University of Tasmania	Aquafin CRC - Atlantic Salmon Aquaculture Subprogram: use of immunomodulation to improve fish performance in Australian temperate water finfish aquaculture	Sep-07	Barbara Nowak	03 6324 3803
2004/212	South Australian Research and Development Institute	Aquafin CRC - SBT Aquaculture Subprogram: assessment of alternative platforms for southern bluefin tuna research	Feb-05	Wayne Hutchinson	08 8200 2400
2004/214	University of Tasmania	Aquafin CRC - Atlantic Salmon Aquaculture Subprogram: effects of husbandry on AGD	Jul-07	Barbara Nowak	03 6324 3803
2004/215	University of Tasmania	Aquafin CRC - Atlantic Salmon Aquaculture Subprogram: establishment of challenge for AGD	Jun-08	Barbara Nowak	03 6324 3803
2004/216	South Australian Research and Development Institute	Aquafin CRC - SBT Aquaculture Subprogram: strategic planning, project management and adoption	Jun-08	Steven Clarke	08 8200 2400
2004/217	CSIRO Livestock Industries	Aquafin CRC - Atlantic Salmon Aquaculture Subprogram: development of an AGD vaccine:	Jun-07	Chris Prideaux	03 5227 5000

ID	Organisation	Project title	End	Contact	Phone
2004/218	CSIRO Division of Marine Research	Aquafin CRC - Atlantic Salmon Aquaculture Subprogram: molecular assessment of resistance to AGD in Atlantic salmon	Jun-07	Nicholas Elliott	03 6232 5222
2004/224	Australian National University	The dynamics and distribution of food supplies for the Sydney rock oyster (<i>Saccostrea glomerata</i>) in southern NSW estuaries	Apr-06	Ana Maria Rubio	02 6125 3176
2004/233	University of Melbourne	Abalone Aquaculture Subprogram: investigating the immunology of stressed abalone	Jul-08	Rob Day	03 8344 6244
2004/235	Barneveld Nutrition Pty Ltd	Aquaculture Nutrition Subprogram: technical, project management and review services	Jun-07	Robert van Barneveld	07 5547 8611
2004/236	University of Western Australia	Aquaculture Nutrition Subprogram: evaluation of value-added grain protein products for Atlantic salmon and black tiger prawns	Jun-06	Brett Glencross	08 9246 8444
2004/237	University of Tasmania	Aquaculture Nutrition Subprogram: assessment of growth performance under limiting environmental conditions	Dec-07	Chris Carter	03 6324 3803
2004/238	Department of Fisheries Western Australia	Aquaculture Nutrition Subprogram: further development towards commercialisation of marine fish larvae feeds	Jun-07	Sagiv Kolkovski	08 92398102
2004/239	Barneveld Nutrition Pty Ltd	Rock Lobster Enhancement and Aquaculture Subprogram: strategic planning, project management and adoption	Jun-07	Robert van Barneveld	07 5547 8611
2004/241	National Aquaculture Council	Coordination of inland saline aquaculture R&D in Australia	Jun-07	Geoff Allan	02 4982 1232
2004/246	Australian Bureau of Agricultural Resource Economics (ABARE)	Australian Fisheries Statistics	Jun-07	Dana Langenkamp	02 6272 2000
2004/248	R L & M A Alexander	Double refuge pot retrieval system	Sep-04	Robert Alexander	08 9953 1813
2004/249	Ruello & Associates Pty Ltd	The retail sale and consumption of seafood in Melbourne	Nov-05	Nick Ruello	02 9817 4652
2004/251	Southern Rocklobster Council Ltd	Identification of new market opportunities for southern rock lobster exports	Feb-05	Graham Ferguson	02 9458 7341
2004/254	Fishwell Consulting	Southern and Eastern Scalefish and Shark Fishery Industry Development Subprogram: strategic planning, project management and adoption	Jun-07	Ian Knuckey	03 5258 4399
2004/302	Sydney Fish Market P/L	Seafood Directions 2005	Jun-06	Helen O'Connor	02 9004 1100
2004/303	South Australian Research and Development Institute	Contribution to the organisation and publication of ASFB2004 Workshop entitled the "National Symposium on Ecosystem Research and Management of Fisheries"	Dec-05	Tim Ward	08 8200 2400
2004/304	CORVEL Marketing and Management	Third National Prawn Fisheries Conference – Cairns 2004	Dec-04	Carolyn Anderson	08 82723266
2004/305	Department of Primary Industries & Fisheries	Support for 15th International Pectinid Workshop	Jun-05	Mike Dredge	07 3817 9500
