PROGRAM	i
SYMPOSIUM AIM	1
ORGANISATION COMMITTEE	1
KEY SPEAKERS	2
Foreword – Introduction to Lobster Health Management Louis H Evans	3
Health Management of the Amercian lobster Robert C. Bayer, Deanna L. Prince, Ban Tall, Seynabou Fall, Maya A. Crosby & Michael B. Loughlin	5
Diseases in spiny lobster holding in New Zealand Benjamin K. Diggles	7
Health aspects in Norwegian lobster stock enhancement: Principles and Practice Knut E. Jørstad, Øivind Bergh and Kari Andersen	8
Review of crustacean immunity Kenneth Söderhäll	9
Cellular response to injury in spiny lobsters Brian Jones	10
Techniques for emuneration and morphology of hemocytes in western rock lobster (<i>Panulirus cygnus</i> George) Jeff Jago, Japo Jussila, Bob Dunstan & Louis H Evans	11
Can compromised condition explain early mortalities in spiny lobster culture? Andrew G. Jeffs	12
Measures of condition in dietary studies on western rock lobster post-pueruli Elena Tsvtnenko, Jeremy Brown and Louis H Evans	13
Tail rot in southern rock lobsters (<i>Jasus edwardsii</i>) Ruth E. Rueter, Michael Geddes and Louis H. Evans	14
A study of disease in cultures phyllosoma larvae and juveniles of southern rock lobster (<i>Jasus edwardsii</i>) Judith Handler, Jeremy Carson, Arthur Ritar and Bradley Crear	15
Indicators of stress in the hemolymph of the western rock lobster (<i>Panulirus cygnus</i> George) Glen W. Davidson, Patrick T. Spanoghe and Brian D Paterson	16
Physiological profiles and vigour index of lobsters (<i>Panulirus cygnus</i>) delivered to processing facilities Patrick T. Spanoghe and Philip K. Bourne	17
The use of hemolymph chemistry in condition assessment of the southern rock lobster (<i>Jasus edwardsii</i>) Richard J.B. Musgrove	18

Post-harvest handling stress in the western rock lobster: Hemocytes' point of view Japo Jussila, Elena Tsvetnenko, Jeff Jago and Louis H. Evans	19
Coldwater lobster health: A North American perspective Richard J. Cawthorn	20
Immunological measures of stress in spiny lobster (<i>Panulirus cygnus</i> George) Louis H. Evans, Seema Fotedar, Japo Jussila, Shannon McBride and Elena Tsvetnenko	21
A preliminary evaluation of three hemolymph tests to assess health status in tropical rock lobsters (<i>Panulirus ornatus</i>) John H. Norton, Naomi Levy and Kelly Field	23
Responses of spiny lobster (<i>Jasus edwardsii</i>) fed L-carnitine as a dietary supplement under temperature and starvation stress Manel Dias-Wanigasekera, Jean Pierre Dufour and Philip V. Mladenov	24
Post-harvest handling in the western rock lobster fishery Stephen Hood	25
Identifying indicators of stress during post harvest handling of western rock lobsters (<i>Panulirus cygnus</i>) Brian D. Paterson, Patrick T. Spanoghe and Glen W. Davidson	26
The effects of temperature on the respiratory function of the New Zealand lobster (<i>Jasus edwardsii</i>), in air and water Michelle M. Pritchard and H. Harry Taylor	27
Determination of total protein in hemolymph of the western rock lobster (<i>Panulirus cygnus</i> George) by refractometry Brian D. Paterson, Glen W. Davidson and Patrick T. Spanoghe	28
Investigations of bacteremia in spiny rock lobsters Seema Fotedar, Anne Barnes, Mike Geddes, Ruth Reuter and Louis H. Evans	29
PARTICIPANTS	30
