

2009/041.20	Social Sciences Research Coordination Program - advisory and technical group expenses
--------------------	--

PRINCIPAL INVESTIGATOR: Kate Brooks
This Sub-project managed by FRDC

OBJECTIVES:

1. Provide governance support for the establishment and maintenance of a social research coordination program to facilitate the leverage of effort between projects; assess the synergy of project proposals and optimise beneficial resource allocation and opportunities for all fishery activities

NON TECHNICAL SUMMARY:

This Sub-project was established to reimburse advisory and technical group expenses for Social Sciences Research Coordination Program. It was managed internally by FRDC programs.

Financial project only – no project outputs.

After a meeting with Kate Brooks, the SSRCP coordinator, FRDC agreed to process the expenses of advisory group travel expenses. An agreed milestone of \$21787.58 was added to this sub project. The milestone value was reduced each time an expense claim was processed.

Project savings: \$1167.21
