El-Nemo SE: production of fact sheets for the program

PRINCIPAL INVESTIGATOR: Dallas D'Silva
El Nemo SE Climate change program

OBJECTIVES:

This project was created manually to deliver part of the communication strategy for the El Nemo program which has been endorsed by the Program Committee and DAFF. This project is paying Coretext for the fact sheets and is to come out of the El Nemo commitment.

NON TECHNICAL SUMMARY:

OUTCOMES ACHIEVED TO DATE

Seven El Nemo fact sheets were produced (attached). Fact sheets were printed and are also available through FRDC website

http://frdc.com.au/environment/climate_change/Pages/elnemo_frdc_approach.aspx

Funding was via El Nemo program.
